Section 3. Part d) of OSCC Membership Information

Should the Club desire to display a member's photo in any way beyond the Club Meeting slideshow, consent by the photographer must be given in writing or by email correspondence. Examples of displaying the images beyond the slideshow are: in the Website header, the Facebook Page or Group header, in the video on the Club's YouTube account, in the Sun Times newspaper, the F-Stop Newsletter, or any other printed or digital entity for the purpose of Club promotion. Any such entity will be discussed with the photographer before any agreement is made to allow the photo(s) to be used for Club promotion. Photos selected for displaying on the website header or the Facebook headers will need to be cropped and a copyright credit will be displayed on the image. Any submissions to the Sun Times or any other publication will not be altered in any way without consent of the photographer, and will be accompanied by a copyright credit. The Club will not be involved in any third party use of submitted photos by any entity for anything other than Club promotion; this will be solely up to the photographer.
